

5mm Bleed around all edges

10mm Margin inside for Text

STANDARD CORFLUTE 600MM (W) x 900MM (H)

Guidelines for Supplying Artwork:

- Any artwork that touches the side of the corflute must continue 5mm to the bleed line
- All text to be outlined
- Keep text and important images inside the 10mm margin
- All images embedded at 300dpi
- Convert all colours to CMYK
- Please no crop marks
- Supply artwork in PDF file format

Note: Some artwork files can become very large, we can only accept up to 10mb over email. If your artwork is bigger than this you can share it with us using Dropbox or via YouSendIt.
